# INDEPENDENT AUDITORS' REPORT ON COMPLIANCE AND ON INTERNAL CONTROLS OVER COMPLIANCE IN ACCORDANCE WITH THE STATE OF UTAH LEGAL COMPLIANCE AUDIT GUIDE

Honorable County Commissioners Davis County Farmington, Utah

#### REPORT ON COMPLIANCE

We have audited Davis County's compliance with the general and major state program compliance requirements described in the *State of Utah Legal Compliance Audit Guide* for the year ended December 31, 2013.

The general compliance requirements applicable to the County are identified as follows:

Assessing & Collecting Property Taxes
Transient Room Tax and Tourism, Recreation, Culture, Convention, and Airport Facilities Tax

The County received the following major assistance programs from the State of Utah:

Children's Justice Center Program (Attorney General's Office) Substance Abuse (Department of Human Services)

#### Management's Responsibility

Compliance with the requirements referred to above is the responsibility of the County's management.

#### Auditor's Responsibility

Our responsibility is to express an opinion on the County's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the *State of Utah Legal Compliance Audit Guide*. Those standards and the *State of Utah Legal Compliance Audit Guide* require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the compliance requirements referred to above that could have a material effect on the County and its major programs occurred. An audit includes examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of the County's compliance with those requirements.

#### **Opinion**

In our opinion, Davis County complied, in all material respects, with the general compliance requirements identified above and the compliance requirements that are applicable to each of its major state programs for the year ended December 31, 2013.

#### REPORT ON INTERNAL CONTROL OVER COMPLIANCE

Management of the County is responsible for establishing and maintaining effective internal control over compliance with the compliance requirements referred to above. In planning and performing our audit, we considered the County's internal control over compliance to determine the auditing procedures for the purpose of expressing our opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a compliance requirement will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be deficiencies, significant deficiencies, or material weaknesses in internal control over compliance. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses may exist that have not been identified.

#### Purpose of Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
